Dear F. Bajerowicz

This is today that some years ago I approved of the formation of a Polish Committee of which Mr Pace was a member. When our Fathers came to London that Committee was

dissolved by me: and

I have authorised the formation

of no

Committee for Polish

interests since that time.

I have been not a little

surprised to learn

that there are persons

who say that they are

authorised by me to

collect for the Polish

Church. No. The Polish

Church & the Polish

interests in London have

been placed by me

in the hands of Rev
F. Lichert & his confreres;
and I recognise & re-
commend no other
persons in these matters.

Your faithful & devoted
servant
Herbert Cardinal Vaughan
Archbishop of Westminster

Dear Sir,

In answer to yours of the 17th inst. I have to inform you that the name of the Lithuanian Priest is George Kalinowski of Vilno, Lithuania, & I hope to be able shortly to pay the Lithuanian Mission a visit. I am very pleased to hear the description you give me of the good work done during Father Hughes' visit.

Wishing you every blessing,

Yours very faithfully

F. Faulon

Dear Sir, I have been making enquiries & find the Lithuanian priest will not be able to undertake charge of the Mission for another month or so. Meanwhile he suggests that you should ask Fr. Hughes to come down to hear the Confessions again.

I should be glad if you would let me know Fr. Hughes's answer.

Yours very faithfully
R. Fenton
Vicar General.

Dear Sir,

Sent the petition which you handed to me to Father Macey & I have heard from him & he assures me that he would not have taken the trouble to send to Russia for a Polish Lithuanian speaking Priest as he had them much nearer home, & that the priest he sent for is a Lithuanian born priest, though like many

A

other Lithuanians born, he does not speak the language — he has been diligently studying it with a view to be able to serve his Countrymen in London.

After reading your petition of the 12th inst. to Mary this Chapter have decided to cancel their promise to supply us with a Lithuanian Priest — so I am now applying elsewhere.

Will you kindly inform those who joined you in the petition of the contents of this letter.

I have written to F. Talmontas asking him if it wd. be possible

for him to remain on another six weeks.

Yours very faithfully in X[t]

P. Fenlon

Vicar General.

Dear Father Raceswick,

Would it be possible for you to obtain permission to remain at the Lithuanian Church for six weeks longer. By that time I hope to have secured the services of a Lithuanian Priest. I am sure, if it is in your power to do so, you will.

Yours very sincerely
P. Fenton.

Dear Sir.

This morning I received a letter from Dr Schuyler who stated you was negociating with the Lazarist Fathers at Leatrow on my behalf to get them to send a Lithuanian born Priest to take over charge of the Lithuanian Incoseni in London

he Says. "The Provincial
"here with his Council has
"decided to accept the
"Lithuanian Museum in
"London. They are awaiting
"the approval of their
"funeral in order to fix
"all ready & invite & pray.
"So please have a
"few days more patience"

Pen Póiv. 28. XI. 03

This Sir, is a complete
answer to the charges contained

in that unseemly letter
you and your friends handed
to me yesterday — upon that
letter I will make no
further remark. I handed
it to the Archbishop, and
I am giving him
Dr. Schmitz's letter.
And I am writing to
Dr. Schmitz telling him
to address all further
communications in this
matter to the Archbishop
as after yesterday's letter
I will have no more
to do with

the Lithuanians –

There will be no ~~[illegible]~~
and so the Lithuanian
Priest in Rome [illegible]
this Bishop and – so
the Archbishop will accept
the kind Service of the
Lazarist Fathers, who
will always have a
Lithuanian born Priest
at the Church in London.
and one who speaks &
preaches in the Lithuanian
Language –

Yours faithfully in Jesus

P. Fuller. V.
